

-MV103 CITY TOUR IN USHUAIA-

Ushuaia with its young age, was inaugurated on October 12, 1884, its growth vertiginous for the standards of our country. It offers an extremely interesting history to discover.

During the city tour, the guide will try to make you understand the cultural richness of Ushuaia and its immigration of inhabitants from different provinces of Argentina, from different countries within the borders of Argentina and from other continents.

Points of interest to be seen include the Mission neighborhood, the historic "sleigh houses", the remains of the first concrete houses built by Italian immigrants, the government house, the former Banco Nación, now the museum of the end of the world, etc.

The prison of recidivist has a primordial importance in the beginnings of the city in 1902.

Panoramic views of the city will not be lacking, the first will be from the viewpoint of the hotel Las Hayas and other points of interest will be sought to have a more complete view of the city and its growth.

The tour includes several species of birds on the shores of the Beagle Channel, such as the Caranca, the Flightless Steamer Duck, the Dolphin Gull, the South American Tern or seabirds such as the Giant Petrel and the Black-browed Albatross.

The tour has a total duration of 2 hours.
