-MI104 LIVE AND ENJOY THE WINTER IN USHUAIA -

Day 1: Reception at the airport and transfer to the assigned hotel in Ushuaia. Dinner is not included.

Day 2: Breakfast. For the most experienced and active, we offer the "Safari Blanco", a very special and dynamic way to live an outing in contact with nature.

The snowshoes will allow you to reach the edge of the mountain and the magnificent scenery from the top will delight the eyes and the spirit!

Transfer in excursion from Ushuaia in northeast direction by National Route No. 3 until arriving to the area of Garibaldi Pass, located at 430 m. above sea level. During the trip, in addition to seeing the winter centers, we will be discovering all the mountain landscape that Tierra del Fuego offers in winter. Wide valleys full of peat bogs, mountain ranges adorned with native forest and high glaciers, all this natural scenery under a white mantle!

Once at the place, we will equip ourselves with snowshoes and poles to begin our journey to the summit. During the ascent we will make brief stops to regain strength and take pictures. From the summit we will be able to appreciate the magnitude of such a fantastic panoramic view of the Escondido and Fagnano lakes.

After a well-deserved rest, with a hot drink and snack in between, we will start our descent to the starting point and then return to the city of Ushuaia.

Total kilometers to cover: 110 (by bus).

Day 3: Breakfast. If you are a lover of hiking and physical activity, we propose the "Adventure in the Snow". This excursion invites you to discover in a more active way the magical landscape of Tierra del Fuego during the winter season.

You will go snowshoeing through a scenery of great natural beauty while you leave your footprint on the path that will remain under a white blanket after a new snowfall. ...¡And if you are looking for unique views for photos and selfies, the "Snow Adventure" is ideal because there will be plenty of it!

We will start the excursion with a transfer from Ushuaia to kilometer 3040 of the national route number three. Once there, we will equip ourselves with snowshoes and poles to start our 2 ½ hour hike.
