

-MV104 NAVIGATION SEE LYON ISLAND AND BIRD ISLAND -

From the tourist pier, upon boarding, the catamaran will sail to Sea Lyons Island.

Heading east, the catamaran moves away, the views of the city at the base of the Fuegian Andes, with its emblematic buildings: the Government House, the Museum of the end of the World, the prison, etc. It is the ideal moment to take pictures of the city.

During our route you will be able to see the Isla de los Pájaros, the Isla de los Lobos Marinos and the mythical Les Eclaireurs lighthouse where the German cruise ship Monte Cervantes was shipwrecked in 1930.

While sailing through the Beagle Channel and visiting the islands, you will see different species of birds and marine mammals.

Birds: Black-browed Albatross, Southern Giant-Petrel, Southern Fulmar (spring), Magellanic Diving-Petrel, Rock Cormorant, Imperial Cormorant, Kelp Goose, Upland Goose, Flightless Steamer-Duck, Southern Caracara, Blackish Oystercatcher, White-rumped Sandpiper, Snowy Sheathbill (spring), Chilean Skua, Dolphin Gull, Kelp Gull, South American Tern, Dark-Bellied Cinclodes, Blackish cinclodes (rare), etc.

MAMMALS: South American sea lion, two-hair sea lion, Humpback whale, dolphins, etc.

From Lighthouse Island we will start sailing westward, returning to the city of Ushuaia.
