

-MPT103 PHOTOGRAPHY EXCURSION TO CABO SAN PABLO-

The Cabo San Pablo excursion is extraordinary, you will understand the island from a natural and cultural point of view. In an incredible way you will capture the diversity of nature that expresses the cultural diversity. Its landscapes, cultural manifestations and ecosystems are unique icons to capture photographs.

From the hotel you will travel in a comfortable vehicle along the national route number towards the east. The change of scenery becomes visible as you leave the city and nature takes prominence.

Prepare your camera and get ready for the challenge of speed, aperture, framing, all of which will make your technique stand out in the natural and cultural landscapes that you will be able to capture during this journey.

The breathtaking views follow one after another and increase our opportunities to capture panoramic photos until we reach the Garibaldi Pass at 350 meters above sea level with the option of macro photos with the flower of the waterfall (October/November) among others.

A transcendental fact is that you will cross the Andes in the direction of the city of Tolhuin (Heart of the Island), ideal moment to get to know another way of life in Tierra del Fuego Island.

Heading north the landscape changes, the cultural activity changes, new images will appear to capture other environments. The steppe takes center stage with the Estancias de Tierra del Fuego that shows us the road to Cape San Pablo.

Prepare your camera and get ready for a unique experience. Nature with mammals (the Guanaco and Gray Fox), Flora (yellow orchid, green orchid, white orchid, etc.) and Birds (Upland Goose, Gray-headed Goose, Andean Condor, Chimango, etc.).

MAGELLANIC
nature tours

At Cape San Pablo is the ideal moment to taste the lunch box without forgetting the mythical Magellan orchid that grows in this environment and the opportunity to develop our ingenuity and art with the ship aground on the coast.

Once our unique experience at the Cape was over, we started our return to Ushuaia.
